WHEATDALE COLONEL MAX

High Selling Bull 1949 Fall Show and Sale

Sold to Hawkins Cattle Co., Hollister, Calif.

Seventeen leading Shorthorn Breeders of the Northwest are consigning these 40 head of top Shorthorns for our fall sale. The bulls are few but of top quality and will make top herd bulls. We feature our top females in this sale. At no other sale in America will you find such a high quality group. One or all of these could go to found a new herd that would "go places" or to strengthen any herd I've seen.

There are more top herd sires represented in these pedigrees than consignment sales are normally fortunate enough to get.

The show season is young but a large number of these cattle have been winners at county and district fairs throughout the Northwest and many of them will have been exhibited at the Pacific International Livestock Exposition in Portland.

We look forward to seeing you in Spokane on October 25 and 26.

Sale Manager

MARIGOLD MONARCH MERIT. Another great son of Killearn Monarch 13th. His dam is undoubtedly one of our best older cows and has been a consistant producer of better cattle. A full brother topped the Billings, Montana sale this spring. Here is a bull with great depth, a great coat of hair, wonderful bone and just about everything that breeders who are looking for middle course cattle desire in a herd bull. Look him over carefully. He was a good little calf and is still good.

MARIGOLD CONQUEST 11th. A summer yearling son of Killearn Conquest 2d out of a Killearn Monarch 13th dam. He is a smooth, thick bull with that fleshing ability we like to see. All of the Conquest calves seem to have the ability to put the flesh on evenly and easily.
